

Hello my name is Valeria Diaz.

The reasons I want to go to Santa Clara High School, wow there are many but here are the main ones, I want to go to SCHS, because I want to be successful in life, and give my parents all that they deserve for always doing the most to make me happy. Therefore I want to go to a university and have a great carrier. Since we are not the most wealthy people we don't too much money to pay for a university, I want to be a very good soccer player and get a soccer player. Talking about soccer I am currently playing in Fusion Soccer club, and I want to be a professional soccer player. Well that was the end of my "biography", I really hope to get into Santa Clara High School.

5003 Carpinteria Ave  
Carpinteria, CA 93013

To whom it may concern,

I am writing this letter at the request of Valeria Diaz who is applying for a scholarship.

I have known Valeria her whole life in the capacity as the owner of the restaurant where her father, José has worked for the last 16 years. Valeria has spent a lot of time at the restaurant the last few years helping with various tasks; food runner, busser, and answering phones. I'd rate Valeria's performance at Giovanni's to be stellar.

Valeria has a number of strengths to offer. She is a go-getter, she doesn't wait to be told what to do. She recognizes what needs to be done and gets it done. Valeria is a team player, probably due to the years of top level soccer. She works hard to make every dining experience at Giovanni's the best for any guest who walks in the door.

In conclusion, I would highly recommend Valeria Diaz. If her performance at Giovanni's is any indication of how she would perform at school, Valeria would be an amazing, positive addition to your student body. If you should need any additional information please feel free to contact me at 895.708.5320 or by email at [snoormand805@gmail.com](mailto:snoormand805@gmail.com).

Sincerely,

Shawn Noormand

With great pleasure I recommend Valeria Diaz to be admitted to Santa Clara High School. I have coach Valeria for the past 2 years and she is not only a terrific soccer player but also an excellent student athlete. During this time, I had the opportunity to watch her excel on and off the soccer field.

Valeria has many attributes, but she stands out as a well-disciplined, positive and respectful player who is always willing to follow instructions and is a key member of our soccer club VC Fusion girls' team.

I truly enjoyed coaching Valeria for the past 2 years and really looking forward to keep working with her and continue to see her growth not only as a soccer player but as a person in our community.

I highly recommend Valeria Diaz to be accepted to Santa Clara High School. I am positive she will be a tremendous asset to your school and soccer program.  
Any questions feel free to contact me.
